

INSTALLERS WANTED — NATIONWIDE

Interested in joining the CSDVRS team?

CSDVRS is accepting applications for professional Dlink DVC-1000 videophone installers to install and train Deaf and Hard of Hearing individuals how to use the videophone. This person will be responsible for integrating the DVC-1000 videophone in home and business computer networks and occasionally attend local events representing CSDVRS. This position is part-time on a contract basis.

Qualifications:

- Demonstrated ability to communicate and relate with Deaf and Hard of Hearing individuals.
- Involvement or leadership in deaf community a plus
- Knowledge or ability to learn router configurations and firewall issues related to the DVC-1000.
- Prior computer networking experience a plus
- Prior customer service experience a plus
